

Petra Scholé Classical Community Application Form

In essentials, unity, in nonessentials liberty, in all things charity. St. Augustine

Thank you for your interest in Petra Scholé Classical Community! Please complete this form and return pages 3-4 to the Director via email to director@petraschole.com

Application Process:

Admission into the Petra Scholé Classical Community is a three-step process. The purpose of the application and interview process is to ensure, prior to enrollment, that families understand and align with our vision and that a solid partnership is fostered.

Step 1- Application: Interested families should peruse the website, read the handbook, class descriptions, etc. Families are encouraged to come for a campus visit to see a community day in action after attending an information meeting- contact Director for dates. Interested families should complete the application and return it to the Director. Once received, she will be in touch to set up a time for an interview.

Step 2- Interview: In order to determine if the environment, scope and sequence, expectations and curriculum are a good fit for the applying family, we will interview all applicants. Interviews may be done via zoom, phone call, or in person and will last about an hour. The primary teacher-at-home/parent should be present for the interview; spouses and children are not required to attend. Once the interview is complete, we will notify you of your application status.

Step 3- Registration: Once your application is approved, you will need to register your children, pay registration fees, and indicate what classes students want to be enrolled in. Some classes may be scheduled according to demand, so flexibility to change elective classes may be required if demand does not justify scheduling a desired class. Classes are filled on a FCFS basis.

Vision Statement: To create a Christian learning community seeking to nurture wisdom and virtue in our members, through a classical education, for God's glory.

Statement of Faith: We ask all members of our community to agree to uphold the tenets of the Petra Scholé Statement of Faith. (Nicene Creed)

Group organization: We are a Christian community of classically educating families committed to nurturing wisdom and virtue in our children. We believe this cannot be done apart from the Spirit of God; therefore, Christ is at the center of all we do. We are affiliated with Classical Academic Press's Scholé Communities, a leader in the modern classical education renewal, but we are locally organized and managed. We are headed by a leadership team, who manage our community. Each family has final authority over how they manage their homeschool but submits to the requirements of Petra Scholé on the community day. The success of our community depends upon the collective ideas and involvement of all our families. We believe in building a strong community through mutual relationships and support; thus, we request that all moms attend our Mother Culture hour (Mondays from 8- 8:50 am) and that a parent be present on community day either to mentor, assist as a parent helper, or in some other way contribute to the working of the community.

Parents of elementary and junior high aged children (preK-8th) must be on campus whenever their child(ren) is present. Parents of high school students (9th-12th) are encouraged to be present as much as possible so that they are equipped to teach their student(s) at home. We understand circumstances may arise that prevent parents from always being on campus. Please talk to the Director regarding extenuating circumstances on a case-by-case basis.
