In our equipping sessions in Mother Culture, what topic(s) would be helpful for you to grow in your understanding of?

By signing, I, the **parent and teacher of my students**, am committing to attend the Petra Schole' community day to the best of my ability and abide by its policies. I understand that I am responsible to:

1. Communicate clearly to the mentor, prior to class starting, if I have different expectations of my student than what is laid out in the syllabus.
2. Actively participate in my student's class either as a Mentor, an assistant or as a parent helper modeling engaged learning and supporting the authority of the Mentor. Parents of students 8th grade and under must remain on campus and engaged in classes for the duration of their students' class day. As a parent of a HS student (if applicable), I will actively participate in my student's education by being present in class (encouraged but not required), overseeing homework, assigning grades to homework and/or for the class if you choose to do so, and communicating with the Mentor in the case of special needs or concerns.
3. Support the Mentor in the classroom by encouraging students' respectful and appropriate behavior, both in the classroom and on campus.
4. Give assistance to my student at home as required, remembering that I am ultimately responsible for my student's education.
5. Commit to a willingness to learn new things alongside my student so I can engage him/her in meaningful conversations.
6. Read the Petra Schole' Handbook and agree to uphold all the community's policies, guidelines, and statement of faith. (All policies, guidelines, handbook, and other important documents can be found on our website for review. www.petraschole.com)
7. Assist my student(s) in being prepared for class each week.
8. Pay required tuition and fees in a timely manner.

As the **student**, I recognize the privilege to participate in and enjoy the weekly community meetings. I commit myself to the following:

1. Come to class ready to learn with humility and with respect for my Mentor and my fellow students.
2. Prepare for class by completing assigned work at home to the best of my ability and bringing all materials needed to class each week.
3. Honoring my peers and other students in my community in words and actions.
4. Participate fully in class discussion, projects, and assignments, knowing that my own contribution is part of what will make the whole class successful.
5. Ask questions of my Mentor and my parents when I do not understand or am struggling with my work knowing that it is my responsibility to acknowledge when I need help.
6. Conduct myself with Christian standards of behavior in class as well as respect for the building, grounds and staff of our host church or host home.
7. Follow all policies and guidelines in the handbook, including dress code, code of conduct and electronics.

____ ____ I understand that when participating in Petra Scholé Classical Community, my child may be photographed for print, video, or electronic imaging. Images may be used in promotional materials, news releases, the Petra Scholé website, yearbooks and other published formats and that the images will be the sole property of Petra Scholé Classical Community.
